

Hey everyone. SEW MUCH COOL NEW STUFF!

NEW Walking Foot/Dual Feed. It is wonderful. You put it on like a traditional walking foot, but there are now snap on changeable feet for the bottom of the dual feed. Open Toe, Edge Stitching, and echo quilting foot. WOW

Flat Feld Seam foot, it makes a flat feld seam in two rows, you have to see it to believe it.

Monogram Software for 4D a wizard helps you make professional monograms! You can measure your shirt and it will pick the placement and size. Cool Beans Stand alone or add to your 4D software.

Tons on new designs for everyone and the Majestic Hoop-ers. The new Cutwork Rocks!,

Texture Hoop, It hold ribbons, yarns and whatever in place so you can embroidery over them. It is a 120 by 120 size. Updated Se's to Diamonds can use this hoop.

Sue Hausmann is ready for Pittsburgh. Here new design collections are wonderful. The first to sign up and pay get priority seating. This is going to be a huge event and the nicest place we have ever been to. 25 foot screens to see all the action.. You will eat and be merry as we celebrate the most watched PBS TV host in the country. Check out her video on my website. www.amybaughman.com

Jan, Jean, Nancy and Ed are at class learning cool stuff. Nancy and Ed are in repair today and Jan is doing the new 4D Monogram program and Jean is doing the Majestic Hoop class. And Me, well, I am at the pool doing the ordering and business stuff. It's a shame there are not enough plugs for the girls to take their class outside with me. It is 80 and sunny with a breeze here in Dallas.

Three new Sergers Coming This Fall, watch for a super Trade In program.

New Emerald Quilter with extension table and walking foot. Really nice features.
